We Are a Sea of Leaders!

Hello Cherokee Families~

It's been a wonderful first month of leading and learning as our students and staff get back into the swing of school!

Support for our biggest fundraiser of the school year – the Wildcat Walk-a-Thon (taking place Friday, October 5th) continues to roll in and we ask your help in meeting our $15,000 Goal. We are about 2/3 of the way to our goal - This is the most important fundraiser of the school year and directly impacts and supports your children. We appreciate all our your efforts in supporting this event.

WALK-A-THON – FRIDAY, OCT. 5TH

We choose to Inspire, Believe, Achieve and Lead to empower learners for a lifetime of success. Cherokee ... a GREAT place to be!

As we continue our Leader in Me Journey, we focus on setting and achieving meaningful goals in order to improve learning. To support student goal setting and engagement, Collaborative Conferences are scheduled for Oct 25-26th Please be sure to sign-up online for a conference time (see inside packet)

This month provides us with even more opportunities to grow and work together. Our students and staff are focusing on Being Proactive, Beginning with the End in Mind and Putting First Things First. Please be sure to look through this month's packet for ways to support and incorporate these skills at home as well as other ways to get involved. October is a busy month at Cherokee – so be sure to check out this month's complete digital packet. Together, we make Cherokee a GREAT place to be!

Conferences
Oct. 24th & 25th

Fall Collaborative Conferences

We are excited to host Fall Collaborative Conferences again this year. The focus of this conference is for our students to share their goals and action plans for the school year as well as their current academic and behavior progress.

We invite all families to join our teachers during Collaborative Conferences. As we continue our leadership journey, **students will be actively involved in taking ownership of their conferences and therefore are expected to attend with their parents. Child care will be available during the evening conferences for siblings**.

In order to sign up for conferences and secure a time you and your child can attend together, please visit: **https://tinyurl.com/CherokeeConferencesFall2018**. Be sure to visit the Scholastic Fall Book Fair during conferences as well. The Book Fair will be held in the Media Center and will have a collection of Leader in Me and Growth Mindset resources for families as well as Scholastic's best sellers.

Reminder on Free & Reduced Price School Lunches

- **Requesting Benefits for the 1st Time:** Families can quickly and easily fill-out a family application for free/reduced meal benefits by visiting: www.lunchapp.com
- **Requesting Continuation of Benefits:** Families with students receiving benefits last year MUST submit the 18/19 application this year as well. Applications for returning students MUST be submitted and approved by Oct 12h to prevent a stop in benefits.
- **Paper Applications** can be obtained from the front office but the processing time is not a quick as completing the application online at www.lunchapp.com

~

We are Leaders in the Café

In the café, we encourage students to stay seated, use conversation voices, raise their hands when they need help and to EAT ☺ Students are also reminded to LEAD before they leave the lunchroom:

"Look at your area
is Everything picked up
Are all items thrown away
Did you leave anything behind?"
Then you are ready to leave!

As always, families can access the lunch menu online by visiting:

- http://www.chippewavalleyschools.org/departments/food-service/

Families can quickly & easily add money to their child's account by visiting:

- www.sendmoneytoschool.com

Cherokee's School Improvement Plan – Spotlights Student Growth and Success!

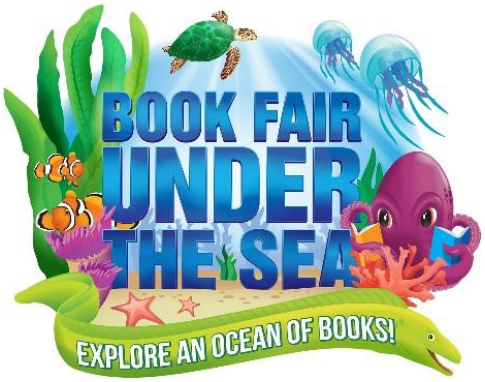
Our School Improvement Goals for the 2018-19 School Year:

- All students at Cherokee will improve in applying mathematical practices across the curriculum.
- All students at Cherokee will improve in reading and writing across the curriculum
- All students at Cherokee will utilize Leader in Me habits to achieve school-wide, classroom and personal goals.

To help reach our goals again this year, our staff will incorporate the following research-based instructional strategies across the curriculum:

- Cooperative Learning Skills
- Thinking Map
- Close & Critical Reading Strategies
- 7 Habits of Highly Successful People (The Leader in Me)

THE FALL BOOK FAIR IS COMING!



During October Parent Teacher Conferences

Monday, October 22nd – Thursday, October 25th

We are excited to announce that this fall, our book fair will look slightly different. Cherokee's Book Fair will feature **Follett Books** instead of Scholastic this year. There will be a variety of books available and students will visit the Book Fair with their class to make purchases. The schedule on the reverse side indicates the assigned time your child's class will be attending the fair.

If your child will be making any purchases, please send money on the day your child is scheduled to attend (remember all sales are subject to 6% sales tax). Students can pay with cash or check or a Follett gift card. The gift cards are an easy alternative to prepaying and not dealing with cash. They are completely digital so all you need to do is buy it, print it and send it in with your child: https://www.giftfly.com/shop/follett-book-fairs

All checks are made payable to *Cherokee Elementary School*.

Families are welcome to visit during October's afternoon & evening conferences.

Science

Wow, September went by fast! In science, the students have been learning about engineers and the Engineering Design Process.

As Engineers the students record data in notebooks as well as on the computer. In October, all grades will be learning some basic computer skills to prepare them for recording data on the computers. Fourth and Fifth graders already learned how to access and save documents in Office 365. They can access and edit their documents at home! They can also download Office on home computers and tablets using their student login. More information for downloading Office is included in this newsletter. At the end of October, students will be introduced to Computer Science. The students will be coding on the computer as well as completing unplugged activities.

Below is the optional monthly challenge for October. Monthly challenges can be turned in any time during the school year and they are completely optional!

Finally, conferences are Wednesday October 24th and Thursday October 25th. The science room will be open both evenings from 5:30-8:00 and Thursday afternoon from 12:30-3:00. Every student is recording data and information in a science notebook. Please come down to the science room so your child(ren) can show you all their effort and hard work they are doing in science!!! If you would like an individual conference time please email or call me to set up a time. My contact information is below.

If you have any questions or concerns regarding the Science Special please contact me at (586) 723-4879 or akrisciunas@cvs.k12.mi.us.

Physical Education

Dear Parents:

For the month of October, every child has the opportunity to complete a fitness calendar/tracker. This is a fun way for students' to take ownership of their health and keep track of how well they're doing. It's easy to use. Simply have your child check the appropriate box each day in October regarding whether he/she ate healthy for the day, got outside to play, and/or got some exercise or fitness training for the day. At the end of the month, tabulate the results, and turn it in to Mr. Behnke or the office. If your child completes this activity and turns it in at the end of the month (first week in November is fine), then your child will earn a prize. Please remember to have your child write his/her name on the calendar. If I don't have a name on it, I have no way of knowing who to give a prize to.

Also, since it is Halloween month, remember to (1) eat candy in moderation, and (2) try to get a little extra exercise this month (and next) to counteract the effects of all those empty calories from the candy. Have a great October everyone!

Mr. Behnke

Leadership in October

Habit of the Month

Habit 3: Put First Things First

Work first, then play. I spend my time on things that are most important. This means I say no to things I know I should not do. I set priorities, make a schedule, and follow my plan. I am disciplined and organized.

"You have to decide what your highest priorities are and have the courage – pleasantly, smilingly, and nonapologetically – to say 'no' to other things. And the way to do that is by having a bigger burning 'yes' inside."
~Stephen Covey

Reading List

These books are excellent for reinforcing putting first things first and will be an awesome way to talk about the habit!

> The Week Mom Unplugged the TVs by Terry Wolfe Phelan

> Irving Black's Strange Snack by Roz Rosenbluth

> Esperanza Rising by Pam Munoz Ryan

> The TV Kid by Betsy Byars

Using this habit at home!

> Using a planner/agenda daily to keep track of and check off homework and events

> Create a list of things that need to be accomplished throughout the week – ranking the tasks in order of importance

> Plan specific activities and set aside specific time for family time

Go to TheLeaderInMe.org for more information and resources!

We are a Sea of Leaders

Being Proactive means "I am in charge of me". It means each of us chooses our actions, attitudes, words and moods. It means choosing to do the right thing without being asked and even when no one is looking. Share how your family practices being proactive. Write your thoughts in the ocean shapes below. Decorate the ocean-scene to represent your family.

Red Ribbon Week

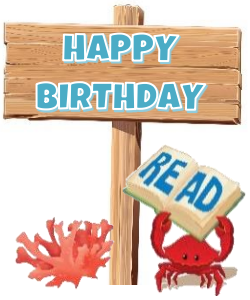
October 22nd – October 26th

During the week of October 22nd – 26th, our school will be observing Red Ribbon Week. This is a program that originated in 1988 as a national week of recognition and support for a drug and violence free America. We use this time to teach students about the dangers of drugs and violence and the importance of making healthy choices and resisting peer pressure. As we continue our Leader in Me journey together, we focus on the 7 Habits to further develop our leadership skills during this important week of learning and celebration.

Monday:	**Be Proactive**	• "I'm in charge of me!" Dress in red to show that you are in charge of you and making healthy choices for a drug-free life.
Tuesday:	**Begin with the End in Mind & Put First Things First**	• Wear a hat to show that you "think" ahead, plan and set goals. You also think about what's most important and say 'no' to the things you know you should not do.
Wednesday:	**Think Win-Win**	• Wear your favorite team gear to show your support for working together for a healthy lifestyle so we can all "win".
Thursday:	**Synergize**	• "Together is better"! Wear Cherokee apparel to show your support for our school and each other.
Friday:	**Sharpen the Saw**	• "Balance feels best." Wear your PJs to celebrate another successful month together of Leading and Learning.

Families can show their support by talking to their children about the dangers of drugs and the importance of making healthy decisions. More information about this program can be found online by visiting: www.redribbon.org

WILDCAT BIRTHDAY BOOK CLUB



Your PTO and Ms. Jaster, our Media Clerk, invite you to join the Cherokee Elementary School PTO Birthday Book Club!

CALLING ALL 4th & 5th Grade Girls and an important adult in their life….

You are invited to attend…

Just Around the Corner…for Girls

- A maturation/puberty program to help answer questions that girls might have about their growing and changing bodies.
- The session will cover physical and emotional changes that occur in girls during puberty, including menstruation.
- A short video will be followed by a lively discussion session.

Local school districts currently present a maturation/reproductive health program for elementary students during their regular class time. Many families have shown interest in starting this education in the 4th grade as some girls begin the process of puberty at this age or wanted to do a program together. In response to these requests, the MISD will offer this class to those interested girls and their parent/guardian.

This class is not intended to replace any current reproductive health programs, which will continue as always. Open to any adult in the community and any 4th and 5th grade girl in the community.

Where: Macomb Intermediate School District
44001 Garfield Road, Clinton Township
When: Tuesday, November 13, 2018
Time: 6pm – 7pm (doors open at 5:30pm)

Register online at www.misd.net

Journeys Login for Students

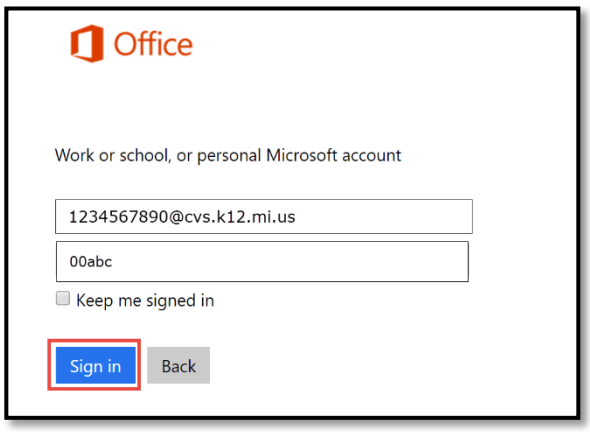
Chippewa Valley Schools

Journeys is our district's ELA curriculum that will used by all elementary students. Journeys has an online component that students can utilize at home. Follow the directions below to access Journeys at home.

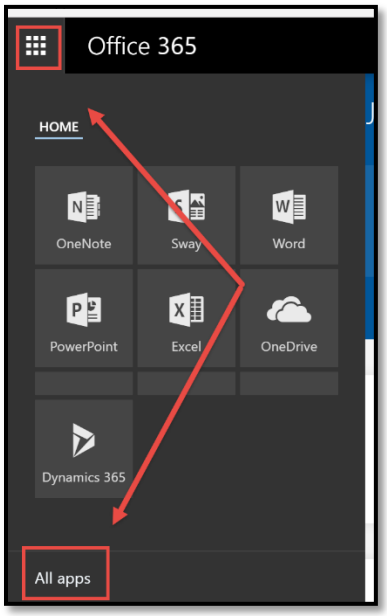
1. Journeys access begins in the student's Office 365 account. Log in at office.com, or access the link from the www.chippewvalleyschools.org page under For Parents.

2. Student usernames are their student number followed by @cvs.k12.mi.us
   (ex 1234567890@cvs.k12.mi.us).
   NOTE: although the student login is in an email address format, elementary students do not have email access in Office 365)

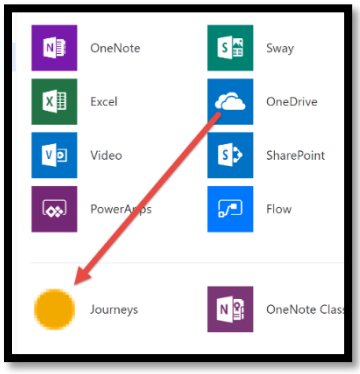
3. Student passwords will be provided by the classroom teacher, students in grades 2-5 will most likely be familiar with their username and password already.



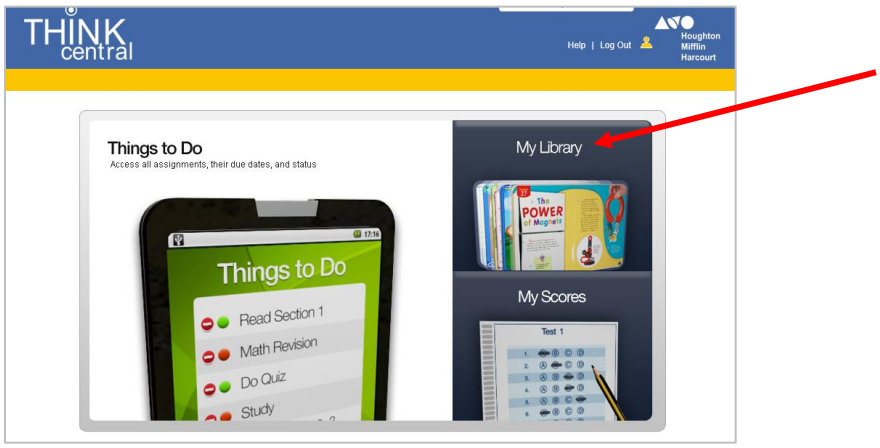
4. Once logged in, click the App Launcher (or Waffle) at the top left, then choose "All apps."



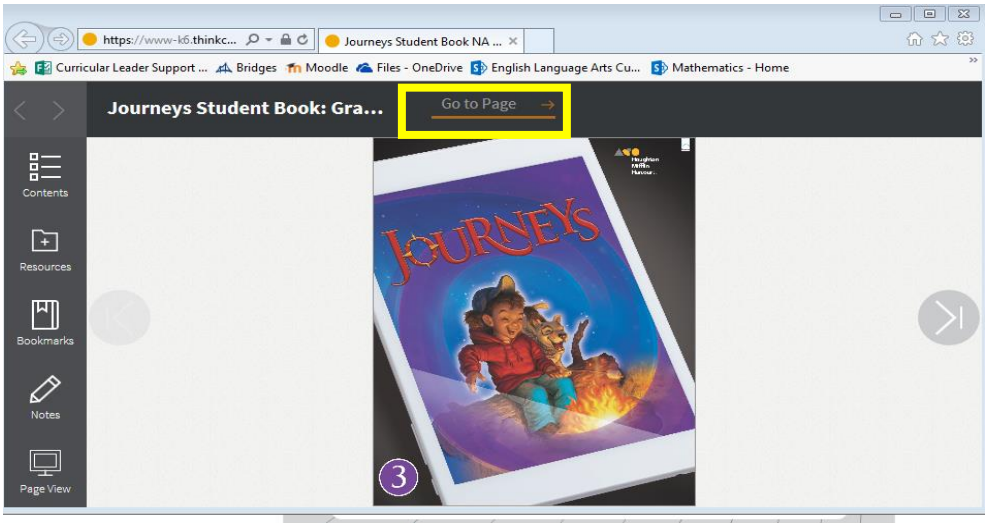
5. Click the Journeys tile and your student will be directed to their Journeys curriculum and automatically signed in.



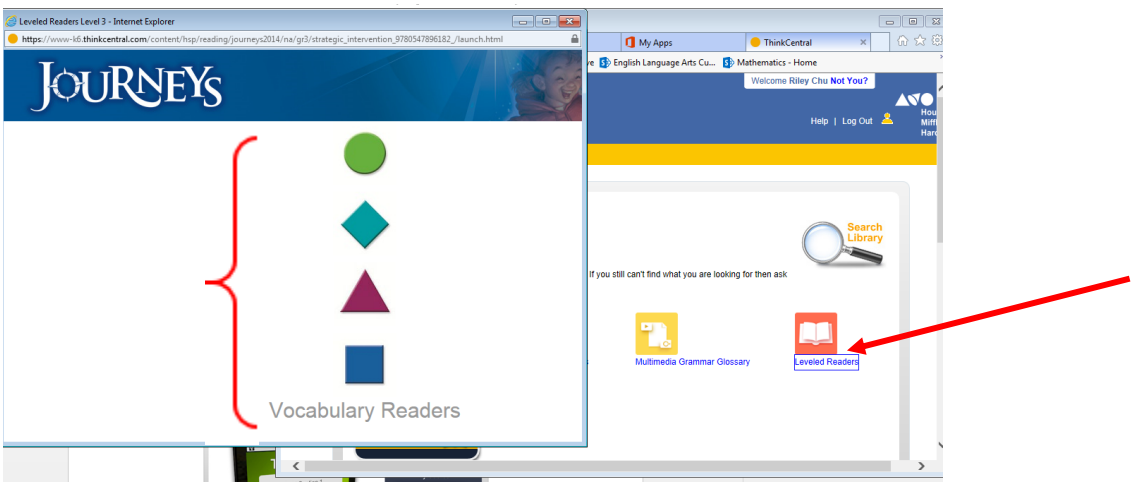
6. For access to student eBooks, leveled readers, videos and more, click on My Library.



7. To view the student eBook, click on the words Student eBook, click into a book, and then type in which page you are reading for the week at the top of the window.



8. To view Leveled Readers, click on the words Leveled Readers, click on a colored shape or on Vocabulary Readers, then choose the book that goes along with your lesson each week. Ask your teacher for support!



Office 365

Microsoft

We're helping to relieve some of the stress of schoolwork.

We're giving our students a complete version of the latest Microsoft Office for free.

Your child will have everything he or she needs to create, edit, and share documents for as long as they are a student here. Help your child install Office at Office.com/GetOffice365

Office 365

What is Office 365 for students?

With Office 365 students receive online file storage, web versions of office programs and a district provided email to make working outside of the classroom easy. Students also get Office ProPlus – Office Pro Plus allows students to download Office programs on up to 5 home computers (Windows or Macintosh), plus they can install the Office apps on up to five tablets (iPad, Android, WinRT) and on up to five phones!

How do I get free Office 365 ProPlus?

Activate your Office ProPlus following the directions below.

1. Go to Office.com/GetOffice365
2. Click the "Find out if you're eligible" link
3. Put in your school provided email address
4. Follow the link that was sent to your email to complete the registration
5. Install Office and sign-in with your newly created Office 365 ID

What is my Chippewa Valley Schools email address?

For most students your email is:
firstname.lastname@cvs.k12.mi.us or 10digitID@cvs.k12.mi.us

If you find this formula does not work for you, check with a classroom teacher who can verify your exact email in our district address book

Note: Elementary students will not have an email, but using the formula above they can log into Office 365 to take advantage of OneDrive and the Office ProPlus program at home.

Frequently Asked Questions – For Students

What does Office 365 ProPlus include?
Office 365 ProPlus comes with a full version of Office and familiar Office applications like Word, Excel, PowerPoint, Outlook, OneNote and more. Office 365 ProPlus is a user-based service and allows each student to install on up to five PCs or Macs, and five tablets (iPad or Android) and access Office mobile applications on iPhone and Android phones. (Office Mobile applications are included with all Windows phones). More information here.

Do I get anything else besides Office 365 ProPlus when I use the self-service process?
In addition to having access to the Office ProPlus client which has application like Word, Excel, PowerPoint and OneNote, which work across your PCs and Macs, you can active the clients on your iPad, iPhone, Android tablet and Android Phone, giving you access to edit and review your homework on the go. You also get 1 TB of storage through OneDrive for Business to ensure you access to all of your documents whenever you need them. If you using a computer that doesn't have Office installed, don't worry you can edit or review those assignments in Office Online in any browser.

What devices can I use Office 365 ProPlus on?

Office supports PCs and Windows tablets running Windows 7 or higher, and Macs with Mac OS X 10.6 or higher. Office for iPad can be installed on iPads running version 7.0 or higher. For information about mobile devices, visit www.office.com/mobile.

What happens when I graduate?
When you graduate, your Office 365 subscription through your institution ends upon graduation. You may enroll into other consumer or commercial offers available. If you have Office 365 Education at your school, you should make sure to transfer all your files from your school OneDrive to your personal OneDrive prior to graduation.

Can students install Office for iPad through this Office 365 ProPlus benefit?
Yes, this would count towards the limit of installing it on 5 tablets. Just install the applications and sign in with your school ID.

If I recently purchased Office and am now also be eligible for free Office 365 ProPlus though my school, will I receive any credit and/or compensation?
No. The Office purchased is a consumer offering and students can continue to take advantage of the purchased offer.

I need help installing, where do I go?
If you are having issues installing Office, visit Install Office on your PC or Mac with Office 365 for business (http://aka.ms/Y0o21h) for installation instructions.

Talk to your children about MARIJUANA

MOBILIZING MICHIGAN

PROTECTING OUR KIDS FROM MARIJUANA

States with Legalized Marijuana Rank Top in Teen Use.[1]
ITS TIME TO HAVE THAT CONVERSATION!

MARIJUANA HAS INCREASED IN POTENCY OVER THE YEARS

THC, the addictive element in marijuana, has increased significantly overtime. Marijuana is now 3 to 7.5 times more potent than that used in the 1990s.[2] Marijuana concentrates, another form of marijuana, contain extremely high levels of THC (40%-80%) and are used in various forms - food, drink, smoked, and vaped, increasing potential for addiction.[3] Increases in marijuana potency may be the cause for a rise in emergency room visits.[4]

MARIJUANA IS AN ADDICTIVE DRUG

The **YOUNGER** marijuana use begins, the **HIGHER** the risk of addiction.[5] One in 6 teens who start using marijuana become addicted.[6] Each year, more teens enter treatment with a primary diagnosis of marijuana addiction than for all other illegal drugs combined.[7]

MARIJUANA NEGATIVELY AFFECTS SCHOOL PERFORMANCE

Marijuana decreases attention, memory, and the ability to learn. Students who smoke marijuana tend to get lower grades and are more likely to drop out of school. Effects on learning can last for days or even weeks.[8]

MARIJUANA CHANGES THE DEVELOPING TEEN BRAIN

The human brain continues to develop until someone is in his/her 20s. Marijuana use affects the prefrontal cortex, which controls impulses and decision-making.[9] A recent study found that marijuana users had abnormalities in areas that interconnect brain regions involved in memory, attention, language, and organizational skills.[10]

MARIJUANA AND DRIVING IS A DANGEROUS COMBINATION

The risk of being involved in a car crash roughly **DOUBLES** after using marijuana.[11] Driving studies indicate that marijuana use can negatively affect a driver's coordination, reaction time, tracking ability, attention, and judgment.[12]
