

## A Message from the Superintendent

Dear Friends,

We know the 2020-2021 school year was challenging for everyone. Our trusted routines and time-honored traditions were altered as we endured a year impacted by a pandemic.

My typical year is marked by events and activities that are meaningful to me: attending sporting events and music productions, visiting classrooms, and hosting in-person parent meetings, etc. Having been your superintendent for ten years, these things regularly fill my calendar and I look forward to them. This year, for the most part, they did not happen.

**Ron Roberts**  
Superintendent

It was no different for our parents. Our parents know when parent-teacher conferences will occur, holiday musicals, PTO events, field days, and all the numerous activities that fill their calendars on a consistent, predictable basis. Unfortunately, many of these in-person activities did not occur. Regardless of the challenges we have overcome, we cannot overlook the accomplishments of our students.

In this issue of *The Vision* we celebrate the Class of 2021, and particularly those who graduated Summa Cum Laude (G.P.A. above 3.9). It is impressive that 162 students graduated with this designation while 437 of our high school seniors graduated with a G.P.A. of 3.5 and above. These students, regardless of a pandemic, continued to strive, learn, and grow to achieve success. These students persevered as they were involved in a variety of high-level courses that challenged them in new ways.

Our 1,200 graduates from our two comprehensive high schools and one alternative high school are ready to move forward with their education. They are ready to transition to adulthood and the many unique roles they will play as contributing members of our society. As young people they have learned skills they may not have developed had they not been faced with such adversity. If there is a silver lining in this disruption, this is it.

I am proud of the partnership that Chippewa Valley Schools has with you, our community. Together we have created the conditions necessary for these young people to graduate from high school well prepared to enter the next phase of their lives. I am excited to see what their futures hold. I know it will be impressive.

As always, it is an honor to serve as your superintendent.

Ron Roberts,  
Superintendent

## Registration Is Taking Place Now for Traditional Learning This Fall *School starts September 7th reserve your seat today!*

Chippewa Valley Schools will offer full-time, traditional learning in all our schools this fall. We are currently taking registrations for the 2021-2022 school year. Parents looking to enroll a new student, please visit: [chippewavalleyschools.org](http://chippewavalleyschools.org), and click on the blue New Student Registration button. Spaces in some of our neighborhood schools are limited so we encourage early registration. Parents looking for an online option can inquire about the Chippewa Valley Virtual Academy (CVVA).

Have a question about the upcoming school year? Feel free to reach out to us by using the Contact Us button on our website or calling: 586-723-2240.

## Chippewa Valley Schools Earns Cognia System Accreditation

Chippewa Valley Schools is pleased to announce that we have earned system accreditation by Cognia™, a nonprofit organization that provides quality assurance for schools, school districts, and education service providers.

Cognia, formerly AdvancED, nationally recognizes districts that meet rigorous standards that focus on productive learning environments, equitable resource allocation that meet the needs of learners, and effective leadership. Earning accreditation from the Cognia Global Accreditation Commission means that the district and all its schools are accredited, and that Chippewa Valley Schools is recognized across the nation as a school system that meets Cognia Standards of Quality and maintains a commitment to continuous improvement.

“Systems accreditation as conferred by the Cognia Global Accreditation Commission provides Chippewa Valley Schools a nationally recognized mark of quality for our school system and each school within our system,” shared Ron Roberts, Superintendent. “It demonstrates to our community our commitment to excellence, our openness to external review and feedback, and our desire to be the best we can be on behalf of the students we serve.”

To earn accreditation from Cognia, a school district also must implement a continuous process of improvement and submit to internal and external review. School systems in good standing can maintain their accreditation for a five-year term.

Dr. Mark A. Elgart, president and CEO of Cognia, stated, “Cognia System Accreditation is a rigorous process that focuses the entire school system and its community on the primary goal of preparing lifelong learners in engaging environments where all students can flourish. Chippewa Valley Schools is to be commended for demonstrating that it has met high standards.”

Cognia is the parent organization of the North Central Association Commission on Accreditation and School Improvement (NCA CASI), Northwest Accreditation Commission (NWAC) and the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI). Parents and interested community members can learn more about the Cognia Accreditation at [www.cognia.org](http://www.cognia.org)
