Chippewa Valley Public Schools will play host to a College and Skilled Trades Fair on Tuesday, April 24 at Chippewa Valley High School.

The fair will run from 6 p.m. to 7:30 p.m. and feature more than 70 colleges, universities, institutes, academies and trade schools.

New this year will be representatives from skilled trades and certificate programs.

“The Skilled Trades Fair is new this year as we are trying to convey all the post-secondary options available to students after high school,” Chippewa Valley Guidance Counselor Stephanie Pitcher said. “With a shortage in many of the skilled trades areas, we hope that more students and parents will become aware of the opportunities.”
