# March / April 2012

.From Mrs. Wade

March is Reading Month and the students and staff at Fox are excited to celebrate reading! Please continue reading this news letter to find out about all of the wonderful things planned!

MEAP: Over the past few months I have shared information regarding MEAP cut scores. As a reminder, the State of Michigan has changed the “cut scores” used to determine proficiency on the MEAP. The fall 2011 results have been made available by the state and parent reposts have been mailed home. We are very proud to report that Fox students scored at or above the State in grades 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup>, Reading. Fourth grade Science met the State level and third grade students scored above the state in math. These successes are due to the hard work put in by all of our students, staff, and parents.

**Welcome SPRING!** It is always a cheerful time of year when the sun is dependable and buds begin to appear. It is that one time of year when people seem to be happy that the days are longer. At the spring equinox, days are close to 12 hours long with day length increasing as the season progresses. All of the spring happenings and Tiger baseball promises to be an exciting time. Don't forget to mark your calendar: ***SPRING BREAK will start at the end of the day on Friday, March 30<sup>th</sup>. School will resume on Tuesday, April 10<sup>th</sup>. We hope you have a wonderful break.***

*“If I could start over, I would start barefoot earlier in the spring and stay that way later in the fall. I would go to more dances. I would ride more merry-go-rounds. I would pick more daisies.” Author unknown*

## IMPORTANT LUNCH INFORMATION

Please remind your student that they must order lunch each day for the next day. We have had many students coming in line for lunch without money or ordering. Low balance reminders are sent home. ## PLEASE FOLLOW THE PARKING LOT PROCEDURES

We continue to have parents parking in the front parking lot and around the back of the school. PLEASE consider the need to follow the procedures to keep everyone safe. **PARK IN THE DESIGNATED AREAS ONLY**  
**SAFE, RESPECTFUL, and RESPONSIBLE!**

If your child attends a preschool run by Chippewa Valley Schools, they will send us your child's name and information, you will not need to call to have your name on the mailing list. ## MEDIA CENTER NEWS

In March we have our Author-In-Residence program sponsored thru our PTO. This year's author for the whole school is Sisbro Adventures. There will be two presentations on March 20<sup>th</sup> in the afternoon. As always, thank you for your support of the Media Center!

Don't forget to send in your empty ink cartridges, cell phones, iPods etc. to be recycled. I recycle them and the money is used for the library.

Thank You.  
Mrs. Ida

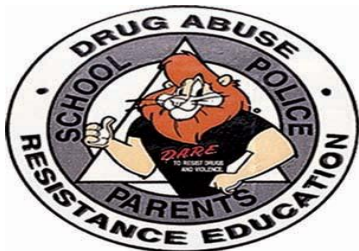

Please make every effort to help your child remember their things for the school day. It is disruptive to a classroom and your child's learning day if we have to call them to the office. When delivering lunches, notebooks, money, etc. PLEASE make sure your child's name and teacher are clearly marked on the item. This helps to avoid mistakes.

Please make after-school arrangements with your child in the morning before they leave for school. This will eliminate numerous interruptions to the classrooms during the day to notify the students and avoid a lot of confusion at the end of the day.

Thank You.

## GRADUATION

### *“ Together We Will Make A Difference ”*

D.A.R.E. stands for Drug Abuse Resistance and Education. Our fifth graders have been a part of this drug abuse prevention education that is designed to equip elementary and junior high school children with knowledge about drug abuse. On Thursday, March 8<sup>th</sup>, our 5<sup>th</sup> graders will graduate from the D.A.R.E. program at 1:30 pm in the Gym at Fox Elementary School.

The D.A.R.E. Essay Award winners will read their essays for the audience. Other special awards will also be presented to various students in each class during the ceremony.

## Music Notes

All classes will start studying about the instrument families of the orchestra when we return from Mid-Winter Break. Kindergarten through second will be learning about why the instruments are grouped the way they are, and about the basic instruments in each Family. Third through fifth will be learning to identify the instruments by sound and by Family.

Fourth and Fifth graders will continue to play Recorder, and should bring their folder, Recorder and a pencil to Music class every regularly scheduled Music Day.

## Student Council

The cancelled Student Council meeting will be re-scheduled after Mid-Winter Break. Watch for a flyer with the date and time to come home with your Student Council member. The Student Council sponsored Variety Show auditions will be held March 6 and 7 after school until 5:00. Information letters and permission slips can be obtained from Mrs. Hilliard the week we get back from break. Students need only audition once, and need not stay the entire time. The show will actually be presented May 10<sup>th</sup> in the morning for the school audience, and the evening for family and friends. If you have any questions, feel free to contact Mrs. Hilliard through the Fox school website, or call (586) 723-5685 and leave a message.

The Student Council Walk-a-Thon will be held Tuesday, May 8<sup>th</sup>. Money raised in the Walk-a-Thon will be donated for Multiple Sclerosis Research. All Student Council Reps must walk in the Walk-a-Thon, and everyone else in the Fox community is invited to join us in our fund raising endeavor! We hope to see everyone there!

### **ATTENTION FIFTH GRADE PARENTS:**

#### Immunizations

Schools in Michigan are required to assess and report the immunization status of all 6<sup>th</sup> grade students. In the fall of 2011 all 6<sup>th</sup> graders must have documentation showing they have had the following immunizations:

Complete series of:

DtaP/Td with one dose in the last 5 years

Three doses of polio

Two doses of MMR

Three doses of Hepatitis B

One dose of Meningococcal Conjugate  
(at age of 11)

Two doses of Varicella vaccine (chicken pox)  
or documented history of the disease.

All doses must be given at appropriate ages and must be spaced properly. This requirement will help assure that school-aged children are up-to-date and protected against vaccine-preventable diseases. All fifth grade parents have received a letter, with documentation (in green), from the Chippewa Valley Board Office regarding these requirements. Please return the completed, signed documentation to the Fox office as soon as possible. **Students must have one dose of each vaccine by the first day of middle school or they will be excluded.**

#### **Iroquois Middle School Parent Night**

## FUEL UP TO PLAY 60

FYI...Did you know that Fox Elementary School has teamed up with the Fuel Up To Play 60 program. This is a program that encourages students to become active in their health and wellness by becoming active and learning how to eat healthy.

The National Football League (NFL), National Dairy Council (NDC), along with the U.S. Department of Agriculture (USDA) are helping to inform students to make smart choices through eating healthier and getting more physical activity.

In short, the Fuel Up To Play 60 program is designed to help improve the health, achievement and long term well being of students in school.

Fox has been awarded a grant to run this program. The program is currently being piloted through our school Latchkey system.

To learn more about this program please visit the website. [FuelUpToPlay60.com](http://FuelUpToPlay60.com)

## DONUTS with DAD

This event is on Friday March 16<sup>th</sup> in the cafeteria from 7:00 to 8:15 am. PTO could use moms to help set up and serve so that the dads and their students have a great breakfast.

## FOOD SERVICE

Food Service would like to say "Thanks" to all those who participated in our debit program this school year. We hope you found it an easier and quicker way for your students to purchase food.

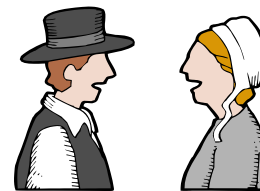

It is our policy to 'roll' all ending balances over for the next school year. However, if your student is leaving the district you will need to request a refund. *This would particularly pertain to 12<sup>th</sup> graders who will be leaving the district upon graduation.*

Food Service will provide green "ATTENTION DEBIT USERS" forms to each school office and kitchen. These forms give specific instructions on our refund procedures. They will be available for pickup by May 7, 2012. It is your responsibility to submit this form to the Food Service Dept. before refunds are issued.

Again, thank you for your patronage and we look forward to serving you in 2012-2013.

*May 11, 2012 will be the **LAST** day Food Service will accept checks to be deposited in debit accounts for all students. There will be **NO EXCEPTIONS!!!** We will, however, continue to accept cash deposits until the end of the school year.*

## DR. SEUSS CELEBRATED

Dr. Seuss is on the loose in Fox Elementary School! All of Fox is engaged in Read Across America for the month of March. The kick-off was held on February 29, when the winners of the school-wide bookmark design contest were announced. Each grade revealed their reading goal for the month with a grand total of 4,140 books for the entire school. Watch the totals climb the hat on the huge cat in the foyer!

Fox students and staff celebrated Dr. Seuss' birthday on March 2nd. Many students wore tall striped hats in the style of their favorite cat as they listened to our special guest readers. The guests included Assistant County Executive Mark Deldin, Sheriff Anthony Wickersham, Prosecutor Eric Smith, County Commissioner Joe Sabatini, Judge Doug Shepherd, Superintendent Ron Roberts, and a host of others!

When visiting Fox, be sure to visit the media center to see a display of "The Places We've Gone." Patterned after Dr. Seuss' book, Oh, the Places You'll Go, the Fox staff members chose photos of their favorite vacation spots.

On March 20th, the brother-sister author team, Laura and Robert Sams, will visit Fox to discuss their books and the process of writing and publishing a book. We are looking forward to their visit!

An activity calendar was sent home at the beginning of March with a variety of suggestions to encourage reading. Use the calendar to help your Fox student to achieve their reading goal! We hope that all of our students and families enjoy this exciting month as we Read Across America!

## **HOME INTERNET GUIDELINES ON SAFETY**

Parents often inquire about recommended guidelines and safety precautions for the use of the internet at home by children. The Chippewa Valley Technology Department provides the following information, courtesy of the Microsoft Safety & Security Center, which is accessible at:

<http://www.microsoft.com/security/family-safety/childsafety-age.aspx>

### **Age-Based Guidelines for Kids' Internet Use**

If your children use the Internet at home, you already know how important it is to help protect them from inappropriate content and contact.

The American Academy of Pediatricians (AAP) helped Microsoft develop age-based guidance for Internet use with the family safety settings in both of these products. It's important to remember that these are guidelines only. You know your child best.

#### **Up to Age 10**

Supervise your children until they are age 10. You can use Internet safety tools to limit access to content, websites, and activities, and be actively involved in your child's Internet use, but Microsoft recommends that you sit with your child when they use the Internet, until the age of 10.

Here are some safety tips to consider when you go online with your 2-10 year old:

1. It's never too early to foster open and positive communication with children. It's a good idea to talk with them about computers and to stay open to their questions and curiosity.
2. Always sit with your kids at this age when they are online.
3. Set clear rules for Internet use.
4. Insist that your children not share personal information such as their real name, address, phone number, or passwords with people they meet online.
5. If a site encourages kids to submit their names to personalize the web content, help your kids create online nicknames that don't give away personal information.
6. Use family safety tools to create appropriate profiles for each family member and to help filter the Internet.  
For more information, see *Windows Live Family Safety*, *Windows 7 Parental Controls*, or *Windows Vista Parental Controls*. Help protect your children from offensive pop-up windows by using the pop-up blocker that's built in to Internet Explorer.
7. All family members should act as role models for young children who are just starting to use the Internet.

#### **Ages 11 to 14**

Children this age are savvier about their Internet experience, but it's still a good idea to supervise and monitor their Internet use to help ensure they are not exposed to inappropriate materials. You can use Internet safety tools to limit access to content and websites and provide a report of Internet activities. Make sure children this age understand what personal information they should not give over the Internet.

When your kids are this age, it might not be practical to physically supervise their Internet use at all times. You can use tools such as *Windows Live Family Safety*, *Windows 7 Parental Controls*, or *Windows Vista Parental Controls*.

Here are some safety tips to consider when you go online with your 11-14 year old:

1. It's a good idea to foster open and positive communication with your children. Talk with them about computers and stay open to their questions and curiosity.
2. Set clear rules for Internet use.
3. Insist that your children not share personal information such as their real name, address, phone number, or passwords with people they meet online.
4. If a site encourages kids to submit their names to personalize the web content, help your kids create online nicknames that give away no personal information.
5. Use family safety tools to create appropriate profiles for each family member and to help filter the Internet.  
For more information see *Windows Live Family Safety*, *Windows 7 Parental Controls*, or *Windows Vista Parental Controls*.
6. Set family safety tools on the medium security setting, which should have some limitations on content, websites and activities.
7. Keep Internet-connected computers in an open area where you can easily supervise your kids' activities.
8. Help protect your children from offensive pop-up windows by using the pop-up blocker that's built in to Internet Explorer.
9. Encourage your children to tell you if something or someone online makes them feel uncomfortable or threatened. Stay calm and remind your kids they are not in trouble for bringing something to your attention. Praise their behavior and encourage them to come to you again if the same thing happens.
