The Chippewa Valley Educational Foundation (CVEF) was established in 1987 by a group of community and business leaders who recognized that the quality of an education system and the vitality of the community it serves are intertwined. Our focus is on encouraging innovation through creative teaching, facilitating student development and fostering community/school partnerships. The CVEF is a 501(c)(3) non-profit organization.

2. Support Classroom Innovation

Teachers are at the heart of education. Through your generosity, we provide grants for classroom projects, resources, and technology that ignite creativity and enhance learning—filling gaps not covered by the traditional school budget.

3. Strengthen Our Community

Investing in education isn't just about today; it's about shaping the leaders, thinkers, and innovators of tomorrow. Strong schools create strong communities.

Your Impact in Action

- \$100 can fund a unique classroom request.
- \$500 funds an innovative teacher grant for hands-on learning projects or contributes to a scholarship for a deserving student.
- \$1,000 provides a full scholarship to help a deserving student attend vocational school/college.

Every dollar you give directly supports students and educators in Chippewa Valley Schools, ensuring they have the resources to thrive.
